MARKERT & CLISBY.

We call attention to the advertisement of

On last Saturday night three negroes

remains calm, quiet, and law-abiding.

Painful Accident to an Esteemed Citizen.

On Monday last, as Major John H. HUGHES was driving in his carriage near his residence, accompanied by Mrs. HUGHES, the horses took fright, and ran violently some distance, throwing Maor H. from the carriage and causing nim serious injuries. He had been quite ill but a short time before and his condition, at present, we are pained to say, is such as to excite the apprehension of his many friends.

Crop Prospects. On Monday (sale-day) we took occasion to make enquiry concerning the present appearance of the crops, &c., and were your old ones repaired and made almost atified to learn from all sections of the as good as new. Well the place is Audistrict that the large breath of land sown Wheat and Oats was looking exceedngly promising, although in some locali- widely known in many parts of our Diss there were indications of Rust in the trict as a man eminently skilled in this heat, but not sufficient as yet to give respect, and all work entrusted to him, y apprehension of a failure in that crop. be it manufacturing or repairing, will ora too is doing finely, is farther ad- certainly prove lasting and satisfactory nced than usual at this season, and in the highest degree. Capt. Lewis very one seems determined to raise a Jones is their Agent in these parts. fficiency of this cereal for home con- But refer to their card. It is an imporsumption another year, whilst many contemplate having corn to sell in 1872. Cotton is coming up to the satisfaction of all, and "chopping-out-cotton," is now the word and the work in all directions. The fruit prospects are positively glorious, the frost of the 29th to the contrary notwithstanding-the vegetable gardens

are coming on luxuriantly-and, in fact,

not his call, and fled precipitately. Mr. A. erybody and everything, is working, atching and waiting in the highest state then discharged one barrel of his gun and tried to discharge the remaining barrel, accommodation. with the view of frightening the negroes, lover Can Be Grown in Edgefield. but in the excitement he snapped the A beautiful sample of Red Clover now trigger of the barrel already fired. One s before us grown by Mrs. S. Holmes, of the negroes thereupon, supposing there ing only a few miles West of this was no further danger, turned, and gathace. The sample sent us is some three ering up a rail, was approaching Mr. A. et in length, and clearly establishes the for the purpose of giving him battle. In itherto doubtful question as to the the meantime, ALLEN discovered his errowing of Clover successfully in our ror, and as the negro advanced, gave limate. We invite our farming friends, him the contents of his gun, the load gowho delight in green pastures and fat ing through the body of the negro. We stock, to call in and satisfy themselves have not learned the name of the corn thief who so foolishly ran against that that as fine Clover can be grown in Edgefield as the world produces. handfull of birdshot-but he "now rests from his labors," and will never have R. B. Elliott, the colored member any further use for a grain of corn than

Congress for this Congressional Disrict, has taken the liberty of his official sition of sending us a few packages vegetable and flower seeds from the S. Department of Agriculture. We ank Elliott for the courtesy extended, d will certainly test the seed sent us.
